

# Nicholas Miller

I am a full stack developer building my skills through collaborating and developing. With my certificate from the University of Central Florida, my new skills in HTML, CSS, JavaScript, React, and more, I look forward to building yet more apps while focusing on learning about efficiency.

## EXPERIENCE

### **Crumbl Cookies, Waterford Lakes — *Shift Lead***

November 2021 - PRESENT

I was in charge of managing my shift, making sure each employee at each station was producing quality products in a timely manner.

### **Island Wings Co, Orlando — *Line Cook***

May 2019 - May 2020

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed diam nonummy nibh.

## EDUCATION

### **Timber Creek High School, Orlando — *Diploma***

2020

## PROJECTS

### **Woofr — *Blog Website***

This website was developed during the bootcamp I attended at UCF. It is a small scale web blog for pets created to test to create an account based website.

### **Park Finder — *Service Locator***

This service was created to help users find a national park near them. By entering an address or simply filtering, the user is able to find a park suited for them by displaying activities from the park.

## SKILLS

HTML & CSS

JavaScript

NodeJS, Express, npm

MySQL, Sql, React.js,  
Webpack, MERN Stack, Git
